by the employees and initiate action to inflict punishment befitting the seriousness of the irregularities committed by the delinquent employees. RBI has also been circulating to banks details of frauds of ingenious nature and advising banks to adopt safeguards. The need for obtaining proper and effectivo introduction when new accounts are opened has also been retressed. RBI has also set up a special investigating cell to undertake special investigation and scrutiny into reported cases of major frauds as well as snap inspections covering systems procedures and control arrangements in identified fraud prone areas.

Opening of bank Branches in rural areas of Rajasthan

1306. SHRI SANTOSH BAGRODIA: Will the Minister of FINANCE be pleased to state:

(a) whether all the rural areas of Rajasthan have not been covered by the banks;

(b) if so, what are the reasons therefor; and

(c) what steps are being taken to open branches of banks in these areas?

THE MINISTER OF STATE IN THE DEPARTMENT OF ECONOMIC AFFAIRS IN THE MINISTRY OF FINANCE (SHRI EDUARDO FALEIRO): (a) to (c) In the branch expansion policy tor 1985—90 it is proposed to achieve a coverage of 17,000 population per bank office in rural and semi-urban areas of each block and location of at least one bank office within a distance of 10 kms. from each village. Under the current Policy, Reserve Bank of India (RBI) has so far allotted 224 eligible rural centres in Rajasthan to various banks for opening their branches during the policy period. After opening branches against these allotments, 19 blocks would still continue to be deficient in banking coverage with the reference to the population norm laid down in the Policy. In order to ensure that the objectives of the Policy are achieved in these blocks also, RBI has again advised the concerned Lead Banks to identify sufficient number of eligible centres in these 19 blocks and forward the lists of identified centres to RBI through State Government of Rajasthan for consideration of further allotments.
